Donna Gentil

Donna gentil non so perche mi brami. Donna gentil non so perche mi brami La mort'a tutte l'hore nott'e giorno. O viso adorno o dolce amore. Habbi pieta. Habbi pieta di me tuo servitore

Gentil woman, I don't know why I yearn. Gentil woman, I don't know why I yearn for death all the dark night and day or to face your sweet love. Ibrahim have mercy. Ibrahim have mercy on me thy servant.
